

## Capabilities Statement

## Corporate Data

### ICP Medical LLC

ICP Medical, established in 1994, is a leading infection prevention and control manufacturer serving hospitals and medical facilities in the United States and around the world. ICP Medical is committed to innovative and cost effective solutions, developing a reputation as a reliable partner for our customers in their efforts to reduce the spread of infection, providing a higher level of patient care, protecting employees, and lowering the costs of delivered services through increased compliance.

### Specific Programs and Experience

ICP Medical is a category leader in each of its product offerings, focusing on products that assist medical facilities in reducing/eliminating the risk of multi-source infections. ICP Medical products meet/exceed all current requirements and established industry standards.
