

ICP Medical | Stretcher Sheets

Ultra-protective Stretcher Sheets

These disposable fluid-resistant, fitted sheets provide protection from patient secretions and body fluids. The soft-touch fabric is ultra comfortable for patients. Convenient, easy to change and sized to fit most gurneys, these fitted sheets can save valuable nursing time.

- Ultra-protective
- Minimizes risk of cross-contamination
- Fluid-repellant SMS fabric
- Elastic ends with deep corner pockets
- Tear-resistant
- Great backup for laundered sheets
- Reduces laundry/linen costs
- Latex-free
