

**Rapid Refresh®
Privacy Curtains**

Disposable

Simple, Safe and Adaptable

ICP Medical

Turn rooms faster with the Simplest,
Safest, and Most Adaptable Curtain System

Rapid Refresh® Disposable Privacy Curtains

Simple

- Patented technology allows you to change a curtain in less than 30 seconds
- Increase productivity, decrease room turnover time, keep patients moving
- One curtain panel size makes managing your inventory simple
- Curtain panels snap together to provide privacy and extend length of curtain

Safe

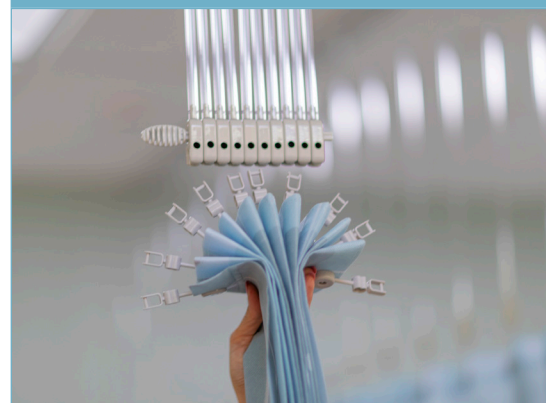

- No need for a ladder, curtains are within reach
- Ergonomically engineered to reduce repetitive motion
- Flame retardant tested to NFPA 701
- Each disposable curtain has a date label and TimeStrip to indicate when a curtain was changed
- Complements your curtain-change protocol
- Eliminates mesh

Adaptable

- Installs on existing track
- Designed to be used with 7' to 10' ceiling heights using curtain rod adapters
- Standardize to one curtain panel size (105"x66") utilizing the Rapid Refresh Quick-Release System
- All Rapid Refresh curtains are interchangeable utilizing the same quick release system

Change a
curtain in less
than 30 seconds
