# Rapid Refresh® Reusable Privacy Curtains

Simple

- Patented technology allows you to change a curtain in less than 30 seconds
- Only one curtain panel size makes managing your inventory simple
- No need to get on a ladder as curtains can be quickly changed within easy reach
- Curtain panels can be easily snapped together to provide the privacy needed based on room size
- Track curtain changes with the Date Label on each curtain
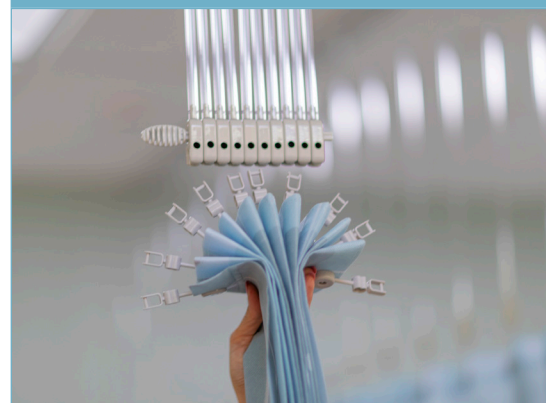

Safe

- No need to get on a ladder
- Ergonomically engineered to reduce repetitive motion
- Flame retardant tested to NFPA 701
- Complements your curtain-change protocol
- Eliminates mesh

Adaptable

- Installs on existing track
- Designed to be used with 7' to 10' ceiling heights using curtain rod adapters
- Standardize to one curtain panel size (108"x66") utilizing the Rapid Refresh Quick-Release System
- Curtain panels can be easily snapped together to provide the privacy needed based on room size

Change a curtain in less than 30 seconds
