

Keyboard and Mouse

ICP Medical®
by Cordica Medical

The ICP Medical product line now includes easy-to-clean keyboards and a mouse suitable for all medical environments.

Fast and effective cleaning makes protocol of best-practice keyboard cleaning between patients a reality!

The ICP Medical **Keyboards** combine smooth surfaces with the tactile feel of traditional keys.

The ICP Medical **Mouse** features the same silicon material with touch scrolling technology.

- 01/ **Real scissor-type keys:** with excellent tactile responsiveness
- 02/ **Plug and play compatible:** works with any Microsoft® Windows®-based PC
- 03/ **Silicone-based cover:** non-allergenic and tolerates all hospital grade cleaning solutions
- 04/ **Dedicated clean key:** quickly lock keyboard and disengage input during cleaning process
